

FACILITATOR PROFILE

Beverlee Wenzel

Respected for her passion for youth and creating positive and sustainable change, Bev is President and CEO of The ROCK Center for Youth Development and Discover You™.

She is the visionary and lead creator of Discover You™, a unique social and emotional learning and positive psychology solution for teens. Discover You™ has helped over 20,000 middle and high school students to embrace their future by building courage, confidence and connection. Through an active presence in the United States and Australia and Global availability she has a goal to reach 200,000 youth within two years.

With a history best described as eclectic, Bev tackles big issues through creative problem-solving and innovative thinking. She has engaged intentional leadership in both the for-profit and non-profit worlds. She is an advocate for responsible resourcing, equity, conscious capitalism and building a sustainable world.

Bev is a true leader and practitioner of raising the wellbeing of individuals, teams, organizations and communities. She coaches individuals and teams to real transformation via empowering self-determination and lasting positive change.
